JOHN WICK: CHAPTER TWO | R | 122 MIN

After returning to the criminal underworld to repay a debt, John Wick discovers that a large bounty has been put on his life.

THE LEGO BATMAN MOVIE | PG | 104 MIN

In the irreverent spirit of fun that made The LEGO® Movie a worldwide phenomenon, the self-described leading man of that ensemble—LEGO Batman—stars in his own big-screen adventure. But there are big changes brewing in Gotham, and if he wants to save the city from The Joker’s hostile takeover, Batman may have to drop the lone vigilante thing, try to work with others and maybe, just maybe, learn to lighten up.

Will Arnett reprises his starring role from The LEGO Movie as the voice of LEGO Batman, aka Bruce Wayne. Zach Galifianakis (Muppets Most Wanted, the Hangover films) stars as The Joker; Michael Cera (TV’s Arrested Development) as the orphan Dick Grayson; Rosario Dawson (TV’s Daredevil) as Barbara Gordon; and Ralph Fiennes (the “Harry Potter” films) as Alfred.

The LEGO® Batman Movie will be directed by Chris McKay, and produced by Dan Lin, Phil Lord, Christopher Miller, and Roy Lee, who worked together on The LEGO Movie. It is written by Seth Grahame-Smith and Chris McKenna & Erik Sommers, with additional screenplay material by Jared Stern & John Whittington, based on LEGO Construction Toys. Jill Wilfert, Keith Malone and Will Allegra serve as executive producers.

From Warner Bros. Pictures and Warner Animation Group, in association with LEGO System A/S, a Lin Pictures / Lord Miller / Vertigo Entertainment production, The LEGO Batman Movie will open in theaters worldwide beginning February 10, 2017. It will be distributed by Warner Bros. Pictures, a Warner Bros. Entertainment Company.
