**CAPTAIN MARVEL** | PG-13 | 124 MIN

Carol Danvers becomes one of the universe’s most powerful heroes when Earth is caught in the middle of a galactic war between two alien races.

**GREEN BOOK** | PG-13 | 130 MIN

Viggo Mortensen (Eastern Promises, The Lord of the Rings trilogy) and Academy Award® winner Mahershala Ali (Moonlight, Hidden Figures) star in Participant and DreamWorks Pictures’ Green Book. Peter Farrelly (There’s Something about Mary, Fever Pitch) directs the warmhearted and surprisingly comic road-trip adventure based on a true friendship that transcended race, class and the 1962 Mason-Dixon line.

When Tony Lip (Mortensen), an Italian-American bouncer with a seventh-grade education, is hired to drive Dr. Don Shirley (Ali), a world-class African-American pianist on a concert tour from Manhattan to the Deep South, they must rely on the “Negro Motorist Green Book” to guide them to the few establishments that were then safe for Blacks. Confronted with racism, danger—as well as unexpected humanity and humor—they are forced to set aside differences to survive and thrive on the journey of a lifetime.

Jim Burke (The Descendants), Charles B. Wessler (The Heartbreak Kid) and Farrelly produce alongside Farrelly’s fellow writers, Nick Vallelonga and Brian Currie. The drama is executive produced by Participant’s Jeff Skoll (The Help) and Jonathan King (Lincoln), along with Cinetic Media’s John Sloss (Boyhood) and Steve Farneth, as well as Kwame Parker (Kill Bill series) and Octavia Spencer (Fruitvale Station). Linda Cardellini (Brokeback Mountain, The Founder) co-stars.

**HOW TO TRAIN YOUR DRAGON: THE HIDDEN WORLD** | PG | 104 MIN

From DreamWorks Animation comes the highly anticipated culmination of one of the most popular animated franchises in film history, How to Train Your Dragon: The Hidden World.

What began as an unlikely friendship between an adolescent Viking and a fearsome Night Fury dragon has become an epic trilogy spanning their lives. In this next chapter, Hiccup and Toothless will finally discover their true destinies: the village chief as ruler of Berk alongside Astrid, and the dragon as leader of his own kind. As both ascend, the darkest threat they’ve yet faced—as well as the appearance of a female Night Fury—will test the bonds of their relationship like never before.
