A WRINKLE IN TIME | PG | 109 MIN

Meg Murry (Storm Reid) is a typical middle school student struggling with issues of self-worth who is desperate to fit in. As the daughter of two world-renowned physicists, she is intelligent and uniquely gifted, as is Meg's younger brother Charles Wallace (Deric McCabe), but she has yet to realize it for herself.

Making matters even worse is the baffling disappearance of Mr. Murry (Chris Pine), which torments Meg and has left her mother (Gugu Mbatha-Raw) heartbroken. Charles Wallace introduces Meg and her fellow classmate Calvin (Levi Miller) to three celestial guides—Mrs. Which (Oprah Winfrey), Mrs. Whatsit (Reese Witherspoon) and Mrs. Who (Mindy Kaling)—who have journeyed to Earth to help search for their father, and together they set off on their formidable quest. Traveling via a wrinkling of time and space known as tessering, they are soon transported to worlds beyond their imagination where they must confront a powerful evil. To make it back home to Earth, Meg must look deep within herself and embrace her flaws to harness the strength necessary to defeat the darkness closing in on them. "A Wrinkle in Time" opens nationwide March 29, 2018.

TOMB RAIDER | PG-13 | 118 MIN

Lara Croft is the fiercely independent daughter of an eccentric adventurer who vanished when she was scarcely a teen. Now a young woman of 21 without any real focus or purpose, Lara navigates the chaotic streets of trendy East London as a bike courier, barely making the rent, and takes college courses, rarely making it to class. Determined to forge her own path, she refuses to take the reins of her father's global empire just as staunchly as she rejects the idea that he's truly gone. Advised to face the facts and move forward after seven years without him, even Lara can't understand what drives her to finally solve the puzzle of his mysterious death. Going explicitly against his final wishes, she leaves everything she knows behind in search of her dad's last-known destination: a fabled tomb on a mythical island that might be somewhere off the coast of Japan. But her mission will not be an easy one; just reaching the island will be extremely treacherous. Suddenly, the stakes couldn't be higher for Lara, who-against the odds and armed with only her sharp mind, blind faith and inherently stubborn spirit-must learn to push herself beyond her limits as she journeys into the unknown. If she survives this perilous adventure, it could be the making of her, earning her the name tomb raider.
