BEAUTY AND THE BEAST | PG | 129 MIN

Disney's "Beauty and the Beast" is a live-action re-telling of the studio's animated classic which refashions the classic characters from the tale as old as time for a contemporary audience, staying true to the original music while updating the score with several new songs. "Beauty and the Beast" is the fantastic journey of Belle, a bright, beautiful and independent young woman who is taken prisoner by a beast in his castle. Despite her fears, she befriends the castle's enchanted staff and learns to look beyond the Beast's hideous exterior and realize the kind heart and soul of the true Prince within. The film stars: Emma Watson as Belle; Dan Stevens as the Beast; Luke Evans as Gaston, the handsome, but shallow villager who woos Belle; Oscar® winner Kevin Kline as Maurice, Belle's eccentric, but lovable father; Josh Gad as Lefou, Gaston's long-suffering aide-de-camp; Golden Globe® nominee Ewan McGregor as Lumiere, the candelabra; Oscar nominee Stanley Tucci as Maestro Cadenza, the harpsichord; Gugu Mbatha-Raw as Plumette, the feather duster; six-time Tony Award® winner Audra McDonald as Madame Garderobe, the wardrobe; Oscar nominee Ian McKellen as Cogsworth, the mantel clock; and two-time Academy Award® winner Emma Thompson as the teapot, Mrs. Potts.

Directed by Oscar® winner Bill Condon based on the 1991 animated film, the screenplay is by Evan Spiliotopoulos and Bill Condon and Stephen Chbosky and is produced by Mandeville Films' David Hoberman and Todd Lieberman, with eight-time Oscar-winning composer Alan Menken, who won two Academy Awards® (Best Original Score and Best Song) for the 1991 animated film, providing the score, which will include new recordings of the original songs written by Menken and Howard Ashman, as well as several new songs written by Menken and three-time Oscar winner Tim Rice. "Beauty and the Beast" will be released in U.S. theaters on March 17, 2017.

POWER RANGERS | PG-13 | 124 MIN

SABAN'S POWER RANGERS follows five ordinary teens who must become something extraordinary when they learn that their small town of Angel Grove – and the world – is on the verge of being obliterated by an alien threat. Chosen by destiny, our heroes quickly discover they are the only ones who can save the planet. But to do so, they will have to overcome their real-life issues and before it's too late, band together as the Power Rangers.
