ONWARD | PG | 109 MIN

Set in a suburban fantasy world, Disney and Pixar’s “Onward” introduces two teenage elf brothers (voices of Chris Pratt and Tom Holland) who embark on an extraordinary quest to discover if there is still a little magic left out there.

Pixar Animation Studios’ all-new original feature film is directed by Dan Scanlon and produced by Kori Rae—the team behind “Monsters University.” “Onward” releases in theaters on March 6, 2020.

THE CALL OF THE WILD | PG | 100 MIN

Adapted from the beloved literary classic, THE CALL OF THE WILD vividly brings to the screen the story of Buck, a big-hearted dog whose blissful domestic life is turned upside down when he is suddenly uprooted from his California home and transplanted to the exotic wilds of the Alaskan Yukon during the Gold Rush of the 1890s. As the newest rookie on a mail delivery dog sled team--and later its leader--Buck experiences the adventure of a lifetime, ultimately finding his true place in the world and becoming his own master.

As a live-action/animation hybrid, THE CALL OF THE WILD employs cutting edge visual effects and animation technology in order to render the animals in the film as fully photorealistic--and emotionally authentic--characters.
