A WRINKLE IN TIME | PG | 109 MIN

Meg Murry (Storm Reid) is a typical middle school student struggling with issues of self-worth who is desperate to fit in. As the daughter of two world-renowned physicists, she is intelligent and uniquely gifted, as is Meg's younger brother Charles Wallace (Deric McCabe), but she has yet to realize it for herself.

Making matters even worse is the baffling disappearance of Mr. Murry (Chris Pine), which torments Meg and has left her mother (Gugu Mbatha-Raw) heartbroken. Charles Wallace introduces Meg and her fellow classmate Calvin (Levi Miller) to three celestial guides—Mrs. Which (Oprah Winfrey), Mrs. Whatsit (Reese Witherspoon) and Mrs. Who (Mindy Kaling)—who have journeyed to Earth to help search for their father, and together they set off on their formidable quest. Traveling via a wrinkling of time and space known as tessering, they are soon transported to worlds beyond their imagination where they must confront a powerful evil. To make it back home to Earth, Meg must look deep within herself and embrace her flaws to harness the strength necessary to defeat the darkness closing in on them. "A Wrinkle in Time" opens nationwide March 29, 2018.

GAME NIGHT | R | 100 MIN

Bateman and McAdams star as Max and Annie, whose weekly couples game night gets kicked up a notch when Max's charismatic brother, Brooks (Chandler), arranges a murder mystery party, complete with fake thugs and faux federal agents. So when Brooks gets kidnapped, it's all part of the game...right? But as the six uber-competitive gamers set out to solve the case and win, they begin to discover that neither this "game"—nor Brooks—are what they seem to be. Over the course of one chaotic night, the friends find themselves increasingly in over their heads as each twist leads to another unexpected turn. With no rules, no points, and no idea who all the players are, this could turn out to be the most fun they've ever had...or game over.
