THE BOSS BABY | PG | 97 MIN

DreamWorks Animation and the director of Madagascar invite you to meet a most unusual baby. He wears a suit, speaks with the voice and wit of Alec Baldwin, and stars in the animated comedy, DreamWorks' The Boss Baby. The Boss Baby is a hilariously universal story about how a new baby's arrival impacts a family, told from the point of view of a delightfully unreliable narrator, a wildly imaginative 7 year old named Tim. With a sly, heart-filled message about the importance of family, DreamWorks' The Boss Baby is an authentic and broadly appealing original comedy for all ages.

THE FATE OF THE FURIOUS | PG-13 | 136 MIN

Now that Dom and Letty are on their honeymoon and Brian and Mia have retired from the game—and the rest of the crew has been exonerated—the globetrotting team has found a semblance of a normal life. But when a mysterious woman (Oscar® winner Charlize Theron) seduces Dom into the world of crime he can't seem to escape and a betrayal of those closest to him, they will face trials that will test them as never before.

From the shores of Cuba and the streets of New York City to the icy plains off the arctic Barents Sea, our elite force will crisscross the globe to stop an anarchist from unleashing chaos on the world's stage...and to bring home the man who made them a family.
