AVENGERS: ENDGAME | PG-13 | 182 MIN

The grave course of events set in motion by Thanos that wiped out half the universe and fractured the Avengers ranks compels the remaining Avengers to take one final stand in Marvel Studios' grand conclusion to twenty-two films, "Avengers: Endgame."

DUMBO | PG | 112 MIN

From Disney and visionary director Tim Burton, the all-new grand live-action adventure "Dumbo" expands on the beloved classic story where differences are celebrated, family is cherished and dreams take flight. Circus owner Max Medici (Danny DeVito) enlists former star Holt Farrier (Colin Farrell) and his children Milly (Nico Parker) and Joe (Finley Hobbins) to care for a newborn elephant whose oversized ears make him a laughingstock in an already struggling circus. But when they discover that Dumbo can fly, the circus makes an incredible comeback, attracting persuasive entrepreneur V.A. Vandevere (Michael Keaton), who recruits the peculiar pachyderm for his newest, larger-than-life entertainment venture, Dreamland. Dumbo soars to new heights alongside a charming and spectacular aerial artist, Colette Marchant (Eva Green), until Holt learns that beneath its shiny veneer, Dreamland is full of dark secrets.

SHAZAM! | PG-13 | 132 MIN

David F. Sandberg ("Annabelle: Creation") directs New Line Cinema's "Shazam!," the origin story that stars Zachary Levi (TV's "Chuck") as the titular DC Super Hero, along with Asher Angel (TV's "Andi Mack") as Billy Batson, and Mark Strong (the "Kingsman" movies) in the role of Super-Villain Dr. Thaddeus Sivana. Peter Safran (upcoming "Aquaman," "The Conjuring" and "Annabelle" films) serves as the film's producer.

We all have a superhero inside us, it just takes a bit of magic to bring it out. In Billy Batson's (Angel) case, by shouting out one word—SHAZAM!—this streetwise 14-year-old foster kid can turn into the adult Super Hero Shazam (Levi), courtesy of an ancient wizard. Still a kid at heart—inside a ripped, godlike body—Shazam revels in this adult version of himself by doing what any teen would do with superpowers: have fun with them! Can he fly? Does he have X-ray vision? Can he shoot lightning out of his hands? Can he skip his social studies test? Shazam sets out to test the limits of his abilities with the joyful recklessness of a child. But he'll need to master these powers quickly in order to fight the deadly forces of evil controlled by Dr. Thaddeus Sivana (Strong).
