**CARS 3** | G | 109 MIN

Blindsided by a new generation of blazing-fast racers, the legendary Lightning McQueen (voice of Owen Wilson) is suddenly pushed out of the sport he loves. To get back in the game, he will need the help of Cruz Ramirez, an eager young race technician with her own plan to win, plus inspiration from the late Fabulous Hudson Hornet and a few unexpected turns. Proving that #95 isn't through yet will test the heart of a champion on Piston Cup Racing's biggest stage!

**THE MUMMY** | PG-13 | 110 MIN

Though safely entombed in a crypt deep beneath the unforgiving desert, an ancient princess whose destiny was unjustly taken from her is awakened in our current day, bringing with her malevolence grown over millennia, and terrors that defy human comprehension.

**TRANSFORMERS: THE LAST KNIGHT** | PG-13 | 148 MIN

The Last Knight shatters the core myths of the Transformers franchise, and redefines what it means to be a hero. Humans and Transformers are at war, Optimus Prime is gone. The key to saving our future lies buried in the secrets of the past, in the hidden history of Transformers on Earth. Saving our world falls upon the shoulders of an unlikely alliance: Cade Yeager (Mark Wahlberg); Bumblebee; an English Lord (Sir Anthony Hopkins); and an Oxford Professor (Laura Haddock).

There comes a moment in everyone's life when we are called upon to make a difference. In Transformers: The Last Knight, the hunted will become heroes. Heroes will become villains. Only one world will survive: theirs, or ours.
